### Transmittal and Statement

Honorable Commissioner of Patents and Trademarks  
Washington, D.C. 20231

Sir:

The enclosed response to notification of missing parts, together with the inventor's declaration and attached papers, were mailed to the office on October 22, 2001. Until now no confirmation of receipt has been received, and the Patent Application Information Retrieval (PAIR) system shows the application as incomplete.

On December 21, 2001 the office posted an advisory on the web site suggesting that applicants wait at least until March 1, 2002 prior to duplicate submission. At this point applicant believes that the office never received the correspondence. Thus, in accordance with 37 CFR §1.08, applicants' agent submits duplicates of the papers mailed, and state the following:

In accordance with 37 CFR §1.8(b) I the undersigned hereby state and declare that on October 22, 2001 I personally mailed the originals of:

- a. 1 page response to missing parts, including a certificate of mailing imprinted thereupon.
  - b. 1 page copy of notice to file missing parts.
  - c. 2 pages executed inventor's declaration
  - d. Receipt postcard.
- 2) The above was deposited as first class certified mail, using certified mail receipt number 7099-3400-0008-9714-3736 (a stamped copy of which is hereby enclosed), in the USPS branch at South Portland, Maine.
  - 3) The enclosed are true copies of the originally filed papers.

Applicant respectfully requests that the commissioner will enter the response and declaration in the application, and grant the papers the filing date of October 22, 2001.

Applicant also submits a credit card charge authorization for \$65.00, as required by the original formalities letter. Applicant believes that no other fee is due in connection with this submission. If this understanding is incorrect, please charge any fee, or credit any overpaid amount, to my deposit account No. 501392.

Respectfully submitted

Shalom Wertsberger
